BRIEF ABSTRACT OF LETTER.

Requests sanction to the increase of the strength of Hospital Asst by one, so as to enable him to attach another Hospital Asst for duty in the Palace, as it is not possible to spare a hand from the present ^{sanctd} strength.

NOTES AND ORDERS.

From December '06 till recently one Narayana Sami Naidu is ~~reported~~ an old-school medical Practitioner is stated to have been doing duty in the Palace Disp. besides Hapl Asst Chungal-raya Naidu. As Narayana Sami Naidu has since

deceased, the officer in charge of the
Palace Establs requested the Senior Surgeon
to take back Chengabraya Naidu from
the Palace duty and depute two Hosp^l
Asst^s of the 1st & the other of the 2^d class.
It is not known from what funds the
deceased Narayana Sami Naidu was being
paid; if he was being paid from the
Palace Funds, ~~it is not fair~~ whether
it is not fair that the pay of one of the
Hosp^l Asst^s should be met from the
Palace Funds, may perhaps be considered.
2 There are (1) a Civil Surgeon, a Sub Asst
Surgeon of the 1st class, ~~and~~ an Asst Surgeon
and an Hosp^l Asst^s attached for the Palace
duty. It is a question whether a
Second Hosp^l Asst^s in addition to the
officers referred to is absolutely necessary.
If Govt are disposed to sanction the
employment of an add^l Hosp^l Asst^s
for the Palace duty, the question may, if
app^d, be considered in connection with
the Proposition Statement re: increase of
Hosp^l Asst^s, ~~previously~~ referred to in Senior
Surgeon's letter no. 414 of 12.3.10 in med
file 156-09.

Sir,

I have the honor to acknowledge the receipt of your letter No.5222 of the 9th Instant forwarding copy of your order posting 1st Class Hospital Assistant Ranga Ramanujalu Naidu to the Palace Dispensary in lieu of Senior Hospital Assistant Chengal Roy Naidu transferred to Dodballapur. As you say a second class Hospital Assistant cannot be spared from the very limited Establishment of the Medical Department, I beg to request that an experienced III class Hospital Assistant may kindly be made available from the Department to the Palace in addition to the 1st class Hospital Assistant above referred to.

It will be seen from the above D.O that the Palace authorities are agreed to meet the pay of ^{two} ~~three~~ Hospl Assts from the Palace Funds. one of the Hospital Assts (1st class Hospl Asst) viz G. V. Rangaramanujam is already in the regular medical service of the State. If another Hospl Asst of the 3rd class is to be deputed to the Palace, the sanctioned strength of Hospl Asst has to be increased by one, as the Senior Surgeon ^{says that he} cannot spare a hand from the present sanctioned strength. It is a point for consideration whether the pay of the ^{2 allowances} two Hospl Assts should be provided for and paid from the medical budget as in the case of the ^{gazetted} ~~sanctioned~~ medical officers of the Palace, the necessary contribution from the Palace being credited to the medical Dept or whether the pay of the two Hospl Assts may be left to be paid by the Palace independently of the medical Dept and

the medical budget. In the latter case no increase to the sanctioned strength of Hospl Asst in the medical Dept seems necessary. As to the procedure to be followed in this case, Branch II or the Comptroller may, if appd, be consulted.
Subd^d for orders.

Among

6.7.10. Note continued:—

It is ascertained from the Comptroller's office that the pay of the Hospital Asst now attached to the Palace is debited to the Palace Funds independantly of the medical budget. The same procedure may be followed in the case of the other Hospital Asst of the 3^d class also. But the Palace Authorities say that they require only a competent 3^d class Hospl Asst.

If the sanctioned strength of Hospl Asst in the med^d Dept is increased by one, then that Hospl Asst becomes entitled to promotion to the ~~the~~ higher classes the 2^d & 1st classes after the prescribed periods of service. It is a question therefore whether the new 3^d class Hospl Asst to be attached to the Palace may not be allowed to be entertained by the Palace Authorities independantly

No.2129 dated 23rd March 1910 from the Officer in ch.
of the Palace Establishments, Mysore, to the Senior Surgeon
Mysore Government, Bangalore.

I have the honor to inform you that besides Senior Hospital Assistant Chengalroya Naidu posted here in December 1906 to succeed Hospital Assistant Rangaramanjalu Naidu who then reverted to the Government Medical Deptt., there was one by name Narayanasami Naidu, an old ^{School} Medical Practitioner, working in the Palace. The latter is now dead. To fill up this vacancy and in lieu of the said Senior Hospital Assistant, it is now proposed to have one 2nd Class Hospital Assistant and one 1st Class Hospital Assistant respectively to manage as between themselves all work connected with the Dispensary, Fort, Palace and the Palace Staff including the maid servants, students in the Arsu Students' Home, &c., under the orders of the Palace Civil Surgeon, a uniform allowance of Rs. 15 p.m. being given to each from the Palace funds in addition to their grade pay which is understood to be Rs. 40 for the 2nd Class and Rs. 60 for the 1st Class.

I beg accordingly to request the favour of your kindly making available for service in the Palace two competent Hospital Assistants one of the grade of 1st Class and the other of the 2nd class from the Government Medical Staff and recalling for Government duty the said Senior Hospital Assistant Chengalroya Naidu at an early date.

No.5222 dated 2-4-1910 from the Senior Surgeon M.G.,
to the Officer in charge of the Palace Establishments, Mysore.

In reply to your letter No.2129, dated 23/26-3-10
I have the honor to forward the accompanying copy of order posting 1st Class Hospital Assistant G.V.Rangaramanjalu Naidu to the Palace Dispensary and to state that a second

Hospital

Hospital Assistant cannot be spared from the very limited establishment of the Medical Department, but I would suggest that a second Hospital Assistant independent of the Department be entertained.

I would suggest that, if this suggestion is accepted, you put yourself in communication with one Hospital Assistant Janakiram Moodr., whose address is noted in the margin and who seems a suitable man for the post. If
